

Eberspächer Handiwash and Miniwash

Hot and cold water at any location is now an affordable reality

Eberspächer are proud to announce what is undoubtedly the most compact, easy to install and technologically advanced mobile handwash unit.

For anyone whose work brings them into contact with hazardous substances, or unhygienic conditions, it should be considered a necessity.

Extensively used by major companies, Eberspächer Handwash Units can assist you in meeting occupational health and safety requirements.

Easy installation

Unit can be easily mounted to any vertical surface and wired to a 12 volt power source, 24 volt systems are available.

Low power, heavy duty heater element

Using high corrosion resistant materials and state of the art electronics, the heater element thermostatically controls water temperature to 60°C. The system is also protected by a thermal overload safety device.
