

Renault Trafic, Vauxhall Vivaro and Nissan Primestar

PRIVATE HIRE SEAT CONVERSION

As you know the middle row of seats in these vehicles only folds forward on the one side, which doesn't make the vehicle suitable for private hire use.

Our seat modification allows the seat to fold forward on both sides giving 2 entrance/exit points which the councils specify.

This conversion is on an exchange basis when you place an order we have your seat collected, we convert it and return to you.
